 New protocol

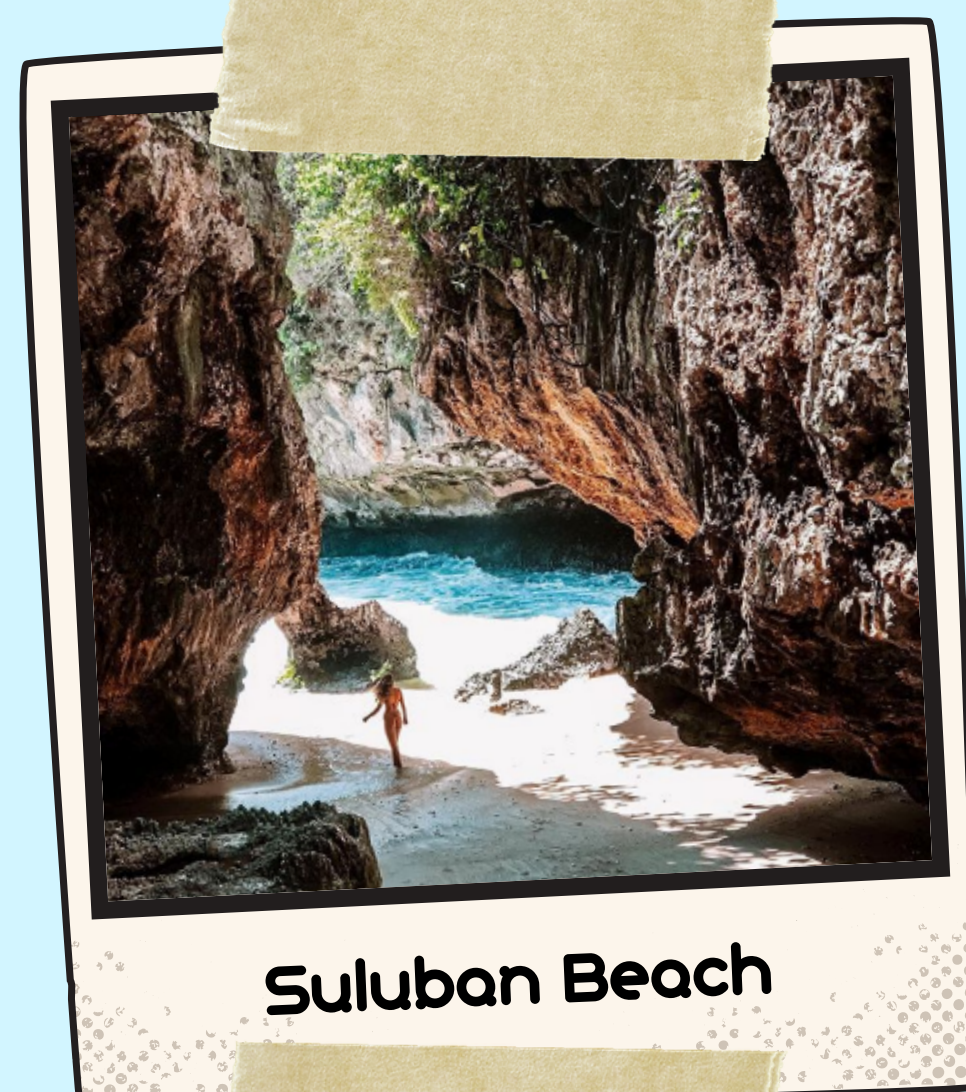

Visit Uluwatu Temple with phenomenal cliff views. During the day the view is amazing. If there is a lot of time, you can wait until evening to watch the sunset and the kecak dance.

 Rp. 30,000

 09:00-19:00

 New protocol

Suluban Beach here presents a view of the sea above a cliff and on the beach there is a cave that you can explore. You can swim / surf here. Many boulders and cliffs can be used as epic photo spots. The road to the beach is slightly downhill and steps up so consider if the physical condition is less than excellent.
